## CENTRAL INFELLIGENCE GROUP

ena (J65) Two tank brigades are housed in the former artillery barracks. Host of the tanks, some of which are "Schukas," are kept in the vehicle shed.

rummensee (VO2) Three companies of marines are stationed there.

agdeburg (Y60) An Officers' Training School which moved from here is opening again . The school is concerned with technical inspectorates for infantry, artillery and armored troops. The Enke Barracks are free of Red Army troops.

ark Brandenburg The eastward movement of heavy artillery and motor trucks from Mark Brandenburg was very heavy in May 1947. The guns being moved were mostly of a caliber exceeding 280 mm. This movement was taking place via Kustrin (V66) and Frankfurt; Wriezen (V37), Fürstenberg (U52), Forst (A77), and other towns on the Oder have been cleared of the families of Red Army troops since 15 May 1947. This movement was so heavy that on some days there were no trains available for German civilian traffic.

An armored pioneer battalion belonging to the formation at Jena is state. sumburg (J39) here. It left in mid-hay 1947 for maneuvers at Possneck. Immediately this, old equipment was replaced: at least fourteen amphibious trucks ≱bserved (3-axled 5-tcnners).

asewalk (Q16) The town major of Pasavalk is one Major Skomorovski.

the Ordnance Office of the Red Army Headquarters for the Russia 50X1-HUM otsdam (263) Zone, stationed in the barracks at the Maugner Tor, Potsdam, 50X1-HUM

igen Island All Red Army units are moving out, with the exception of the Kommandatus, at Bergen and Sassnitz.

> an Army headquarters is quartered in the barracks at Schwerin-Gartensta. larrison strength at Schwerin is 40,000. The commendant is named Cheprese The airfield at Schwerin-Gorries is reported to be quite unserviceable and covered with wreckage.

rinemunde (L21) The commander of the mayal base at Schwerin is Captain 1st Grade Maslov

a tank brigade. somewhat below strength, is stationed at Reissenfels. is equipped with T-34s, many of which have command turrets.

Shief of Staff: Smirnov Colonel-General Promin has been recalled to Moscow and is shortly leaving Weinar. Several Red Army officers employed at the SMA in leimar have be recalled to the USSR to join their units. The personnel of the Soviet staff an the Sudstrasse has been completely changed. The officers previously have all returned to the WSSR.

June 1947 furt (J36)

chwerin (T46)

∍issenfels

∍imar (J57)

(J99)

arge-scale Red Army troop movements continued eastwards through Weimer at Arfurt. A Red Army Lieutenant in Erfurt stated that these troops were to cuired more urgently in the Bardanelles than in Germany. A Red Army car and a eaid that the troops were being moved to the Russo-Turkish border.
